## SPECIALTY COFFEE;

should not be confused with "gourmet" or "premium" coffee. The latter are marketing terms with no defined standards.

According to the Specialty Coffee Association (SCA), coffee which scores 80 points or above on a 100-point scale is graded "specialty". Specialty coffees are grown in special and ideal climates, and are distinctive because of their full cup taste and little to no defects. The unique flavors and tastes are a result of the special characteristics and composition of the soils in which they are produced.

## SOME CLIENT REVIEWS:

### **mavi Europe**

We were 100% satisfied with his work! His coffees and teas have a very good quality, everyone liked it. The service was also great and he was very dedicated. He matched perfectly with our brand and we would like to work with him again.

### **Joske Kuut**

Erhan speaks with passion about his job and the product Coffee. Because of this passion he is very interesting to listen to. He taught me some interesting facts about coffee. I can recommend him!

### **Ipek BADIĞALI**

Erhan Bey'le Almanya'da gerçekleşen Achema 2018 fuarında çalıştık. Gerek kahve ikramları, gerek sunumlarından oldukça memnun kaldık. Türk kahvesine dek ince düşünülmüştü. Bunlara ek olarak, güleryüzlü, enerjik ve yabancı dil hakimiyeti olan birisi olduğundan standımıza olan ilgiyi de artırdı. Tavsiye ediyoruz. İpek Badırgalı/ Ak-Kim Kimya Pazarlama Müdürü

### **Heather Leighow**

Erhan is so great! Our company, Voltea, has hired him for many conferences and events to serve coffee and he is always a huge hit! His big personality and incredible knowledge of coffee and the coffee industry has benefited our company immensely! We can't wait for the next show :)

### **Dewitt**

I've had the pleasure of working with Erhan over the last 5 months as we have launched our latest water purification technology into the coffee industry.

Erhan has worked at our trade show booths in Amsterdam, Cologne Germany, San Francisco and Chicago in the US.

His ability to not only relate to customers but also educate and do this in different languages has been a great asset to our team.

I would highly recommend Erhan for anyone that is looking to showcase thier company in the best possibly way!
